

Garibaldi Annex is Thriving!

289 children and 100 parents & caregivers attend programs at the school.

The school is **GROWING** – only 2 years ago only 40 students (and only 85 families used early learning programs).

Here are the facts about the current school year:

- Main small school – **65** students; Home Learner program – **36** students (An innovative school supported home learning program)
- Vancouver Learning Network – **79** students
- **180** school aged students registered in Garibaldi programs for 2010-11
- **109** preschool aged children and 100 parents/grandparents depend on the school's "Strong Beginnings Program"

The recent Auditor's report used old information. Get the correct information. Garibaldi is thriving! The community DEPENDS on this wonderful little school.
